WHAT TO EXPECT...

Not only will we ensure that all organisational elements are co-ordinated effectively, but we can also offer professional assistance in the creation of specific branded items, such as menus, trophies, prizes, etc. Please feel free to discuss your specific requirements with us.

KLEINE ZALZE LODGE

The 4-star Kleine Zalze Lodge lies quietly nestled amongst the vineyards of the family-owned, and internationally acclaimed Kleine Zalze Wine Estate, established in 1695. With its modern Cape Dutch architecture, Kleine Zalze Lodge fits naturally into its rural habitat. The surrounding mountains and vineyards exude an unsurpassed tranquility.

The Lodge's rooms are tastefully decorated and offer magnificent views over the mountains of Stellenbosch, and De Zalze Golf Course, creating a feeling of perfect tranquility and relaxation. All units are equipped with air-conditioning, satellite television, under floor heating, tea- and coffee making equipment, and en suite bathrooms.

DE ZALZE GOLF COURSE

De Zalze offers a fine mix of parkland holes, its main defences being the water features on several of the holes. The oak-lined Blaauwklippen River winds its way through the golf estate and comes into play at various intervals. Renowned golf course architect, Peter Matkovich, designed the De Zalze Golf Course, making most of the stunning setting while placing a premium on accuracy. Since the opening in 2000, the club was quick to reap rewards. De Zalze was selected to host the 2006 World Amateur Team Championships, moved from 44th to 23rd in the latest Golf Digest Top 100 Courses, was recently placed 13th in the Top 30 Best Conditioned courses and De Zalze also received a service-orientated "Five-Star Golf Experience" Award, managed by Compleat Golfer, joining only 14 other courses out of over 450 courses in South Africa to achieve this honour.

PEARL VALLEY GOLF COURSE

Officially opened at the beginning of November, 2003 by Jack Nicklaus and South African great, Gary Player, Pearl Valley Golf Estates was named 'best new golf course of the year' by Golf Digest magazine in 2005. Pearl Valley golf course is currently ranked the number one golf course in the Western Cape by Golf Digest. Traversed by roads in only three places, with a state-of-the-art drainage system in place that allows play to continue just minutes after a severe down pour, the course is truly in a league of its own. To meet the 'Golden Bear's' uncompromising standards of golf course design and aesthetic beauty, a combination of the deep, lush green on the fairways and greens, together with the brilliant white river sand lining the bunkers was carefully planned to make Pearl Valley Golf Estates the most visually spectacular golf course in the country and arguably the world.

WHAT TO EXPECT...CTD.

ARABELLA GOLF CLUB

The Arabella golf course in South Africa is ranked by Compleat Golfer magazine as the number one golf course in the Western Cape. This classic parkland course has spectacular views across the Bot River lagoon and across the Kogelberg mountain range. The pristine fairways are kikuyu, while the greens, which frequently receive high praise from professionals in the game, are Dominant Bent. The golf course has been refined in the past six years with the addition of several bunkers and the revamp of the par-four 6th hole in order to rid it of its blind tee shot. Awarded Five-Star Golf Experience for the first time in 2002, the course is complemented by a luxurious clubhouse with bar and halfway house, as well as a fully stocked pro shop and excellent practice area with two resident teaching professionals.

ERINVALLE GOLF CLUB

This is an estate course of two distinctly different nines. The front nine is on the flat, winding between the many houses in this part of the estate, while the back nine climbs up the lower slopes of the magnificent Helderberg mountain, with breathtaking views of the coastline from the top holes. Designed by Gary Player Erinvale's beautifully manicured par 72 championship course boasts some of the country's most challenging and spectacular holes. Erinvale's demanding front nine meanders through park-like terrain, whilst the back nine provide a contrasting challenge winding its way through the foothills of the mountains with panoramic views of False Bay.

The greens at Erinvale are huge and well-shaped allowing for several different pin placements. A feature of the layout is that different coloured flags tell you the position of the pin, blue flags at the back, white in the middle and red at the front. Erinvale is also a real estate development where homes blend well into the landscape.

TERROIR RESTAURANT

'Terroir' restaurant on Kleine Zalze is set amidst old oaks, lush vineyards, and rolling terraces, and specialises in French-Mediterranean cuisine blended with a charming Cape twist. It offers a chalkboard menu of Provencal classics, inspired by the best of what is fresh, seasonal and local. Matched with excellent wines, Michael Broughton's creations are deceptively simple, such as classic bouillabaisse, prawn risotto, or Terroir's signature dish, the succulent pork belly which is roasted over a wood-fired oven. Terroir has achieved the highest restaurant award in South Africa, named as the Eat Out Restaurant of the Year 2007 and has consistently ranked amongst the Top 10 ever since.
