

SHIRAZ MOURVÈDRE VIOGNIER 2019

WINE OF ORIGIN:

Western Cape

VITICULTURE:

The grapes for this wine were sourced from selected parcels of fruit from across the Western Cape. The blend consists of 80% Shiraz, predominantly from the Stellenbosch region, 15% Mourvèdre and 5% Viognier. The effect of the preceding three-year drought was still evident to us in the 2019 harvest, despite the higher rainfall during the season. This resulted in smaller crops over all for the 2018/2019 growing season. Irregular temperatures from winter to flowering led to some uneven ripening at the start of the season that was managed by removing any green or uneven bunches after véraison. The cool weather conditions towards the end of ripening constituted smaller berries, resulting in intensely flavoured, elegant wines.

VINIFICATION:

Each of the varieties were harvested and vinified separately, to ensure all the fruit reached the winery at its optimal ripeness. For the red component, the grapes were transferred to tank for fermentation after destemming but no crushing i.e., whole-berry fermentation. To preserve the freshness and elegance of this typical Rhone style blend the grapes were gently handled during fermentation and were only pumped-over twice a day. After pressing, the wine underwent malolactic fermentation in tank before being transferred for maturation to a combination of older oak barrels for a period of 14 months. The Viognier component was pressed and cold fermented in tank. The wine was left to mature in tank on the yeast lees for 10 months to add complexity to the palate, after which it was blended with Shiraz and Mourvèdre to complete the blend.

WINEMAKER'S NOTE:

The 2019 growing year was difficult to manage after some unprecedented rainfall during ripening. The later red cultivars reached optimal sugars levels at a very slow pace due to temperatures dropping in March, resulting in very elegant red wines. This wine shows a lush bouquet of wild red fruit and hints of dried black olives and lavender which leads to an elegant, fresh mid-palate and ends with medium bodied, fine, and well-balanced tannins. Enjoy this wine with charcuterie or even umami-driven vegetarian dishes such as a mushroom ragout or ramen. This elegant wine can be enjoyed now but will also age beautifully for the next 5 years.

ANALYSIS:

Alc – 14.00%vol RS – 3.5g/l TA – 6.0g/l pH – 3.41
